## AGREEMENT

1. Ecocert can provide you with all technical information by Email **at no cost**. This will include Ecocert Technical Sheets, and broad overview of the certification process. You are free to contact us and ask for clarity at any time at no cost.
2. If you wish to receive training by qualified Ecocert staff, we can gladly prepare a cost estimate for you.
3. The estimate will be based on the information you have provided and your training requirements.
4. Ecocert is a conformity assessment body (certification body), and therefore cannot act as “consultant”.
5. The training Ecocert provides clarifies the requirements of the organic regulations as well as the process Ecocert follows to inspect and certify an operation.
6. This application forms the basis Ecocert’s obligation-free cost estimate.
